O R D E R

Presently before the Court is defendant's Motion in Limine Regarding Witnesses not Announced During Discovery (**docket entry 46**) to which plaintiff filed a brief Opposition (**docket entry 52**) alleging that the same is moot because the matter was resolved at the pretrial conference before U.S. Magistrate Judge Justo Arenas. The Magistrate Judge's Pretrial Conference Report (**docket entry 49**) points out that most of the additional witnesses announced were withdrawn by plaintiff and that, as to Dr. Báez, he was decedent's treating physician. The Proposed Pretrial Order reflects that of the sixteen (16) additional witnesses objected to by defendant plaintiff eliminated eleven (11). (See pp. 10-11 and 18.) One of the remaining witnesses, Luis R. Díaz, also appears listed as a defendant witness.

Considering that the number of unannounced witnesses has been narrowed to four and that defendant has been placed on notice since December 1998 of plaintiff's intention to present them, the Motion in Limine (**docket entry 46**) is DENIED.
